## **FAMILY OF LANSING MAN SHOT AND KILLED BY LANSING POLICE DEPARTMENT RETAINS FIEGER LAW**

Fieger Law has been retained to represent the wife and family of Stephen Luis Romero, a 33-year-old devoted father, who was shot and killed by officers of the Lansing Police Department outside of his home in Lansing, Mich. on Friday, December 1, 2023.

Fieger Law has sent multiple requests to view the body camera and police vehicle dash camera evidence. The Lansing Police Department has denied all our requests to view the video footage of the incident. We implore the Lansing Police to engage in transparency.

Stephen's wife and family have the full support of Fieger Law and we are deploying every resource to obtain the evidence needed to bring them justice.

We will report to the media and the public as soon as we have more to share.

James Harrington, managing partner of Fieger Law
